Red Shirt's Hand at Poker-

From the New York Sun "They give us a little whirl once in way conductor, "but we've got 'em ever saw." "It's a funny thing, but it's a fact, from which they usually come, and I think these country sharpers can dis- going to throw away a chance of that tance with railroad men. They are and then he calls, generally what we call 'the best fellows in the world.' They don't care man. for money, and will go further to do any one a favor than the best Sunday school superintendent you over saw. Shirt takes 'em up. Once we started a subscription for a "Aw, here now of the car to the platform, and in the a fast liver. struggle Baitey fell off. His father was a county judge in one of the these shapers on the Erie trains any and they sent his remains home.

game for the three-card monte men and other swindlers. It was impossi- Brother Gardner on Astronomy ble to watch them because the frains were so long. They could get through with their business and off the train before we knew anything was wrong. 'Big Jersey,' one of the quietest fellows you ever saw, was the boss Philadelphia axin' me if I believe wid worker of emigrant trains. He could talk all the languages there are. His sun do move. Sartin 1 do. I know real name was Warren Kirkham. He was a native of Baltimore, but lived airth which am movin', while de sun nearly all his later life in Northern stands still, but right dar we solit. be a graduate of Yale College. He was the originator of very many of the card tricks with which sleight-ofhand performers amuse their audiences. He could handle cards with a dexterity that was simply wonderful. He took over \$3,000 from an emigrant train on the Central road between Auburn and Canandaigua in one night. He was an inveterate fare what I'ze gwine to say. Doan't let player. One night he went into Steve a drunken row by the brother of the better if ebery family in the kentry brakeman in aid of whose family John had a telescope fo' hundred feet long. Bailey, a chum and an occasional as-

sistant of Kirkham's, subscribed \$50. Professor Fisher, (from St. Louis) Dancing Academy, Standard Hall, cor Fifteenth and Farnham, Tuesday evening, September 6th.

Classes for Ladies and Gentlemen commencing Tuesday evening September 6th; classess for Misses and Masters, commencing Saturday afternoon at 4 o'clock. Classes for Families, will be well now who the swindlers are, and well now who the swindlers are, and arranged to suit the honorable patrons. Also ballet dancing can be taught.

Terms liberal, and perfects satisfaction to scholars guaranteed. Private instructions wil registern at the Dancing Academy or at the residence of the patrons.

We always keep an eye on them. The other day, for the first time in years, one of them managed to get his work in on a passenger, and got \$400 out. we always keep an eye on them. The Private orders may be left at Max Meyer & of him. He was spotted, though, by a brakeman, and was caught as he was attempting to jump off the train at Belvidere. He's in the Steuben county jail now, and no doubt he will

serve the state for a spell. "About the neatest thing any of the Erie employes ever did in the way of getting the best of a train sharper tricks with cards than any fellow I ever knew. He hailed from Syracuse, if I remember right, and did a first-class business on the Central for a long saw in good order an' you'll be all cases. time. Under the old Minot management trains on the Eric were mighty few and far between, and finally Silver Scaled proposals will be received by the undersigned at his office up to 12 m., of Tuesday, September 13th, 1831, for the entire or part of the following list of sewer pipe of the best quality and finish and to be de ivered at Omaha, subject to inspection as per specification in the city engineer's office 17,00 feet of 6-inch vitrified clay pipe, saltglaze; 1900 feet of 16-inch vitrified clay pipe, s got to working our trains, as the signed for two weeks from the date hereof, thursday, September 1st, 1831, 12 o'clock noon, for furnishing hard and soft coal for the use of the city offices and fire department, from this date until August 18, A. D. 1852.

Scaled bits or proposals shall state the price for such coal delivered where ordered, and shall name said price without respect to any definite amount of coal. The right is reserved to reject any and all bids. Invelopes containing said proposals shall be marked "Proposals for Coal," and time above specified. J. J. L. C. JEWETT, auis htspkbal in 2 City Cierk.

Scaled for two weeks from the date hereof, thursday, September 1st, 1831, 12 o'clock noon, for furnishing hard said sold for department, from this date in the could talk it, that it would be necessary for them to exchange their money Then cooling surface of the condensers is necessary for American money. Then cooling surface of the condensers is 17,000 square feet, equal to nearly 17 miles of tubing. There are two air pumps all bids. Invelopes containing said proposals shall be marked "Proposals for Coal," and off on the emigrants a lot of queer stuff. When the train arrived in an out-of-the-way place, he gave the bell-rope a jerk and waited for the bell-rope as jerk and waited for the bell-rope as jerk and waited for pumping heavy leaks or can also AUCTION SALE OF MISCELLAtrain to stop. Poppy Ayer was in the haggage car. He saw the bell-rope discharge through the condensers.

ACENCY NEB. THURSDAY. fields. Poppy knew something must be wrong, so he hops off, and starts the engines are intended to after the sharper. Poppy was fat,
